STAFF ALLIANCE

August 15, 2001

To Whom It May Concern:

At the retreat held on August 13 and 14, 2001, the Staff Alliance passed a motion regarding communications.

“The Staff Alliance of the University of Alaska will develop and send a newsletter to constituents at all Major Administrative Units (MAUs – UAA, UAF, UAS, and Statewide) each month. The editor/composer shall be the chair of the Staff Alliance and the members of the Staff Alliance shall be contributors and shall serve as the editorial board.”

Please call on me (465-6359) if I can be of further assistance in this or other matters.

Sincerely,

Robert G. Sewell, Ph.D.
