

AP Chemistry 2009-2010

Name _____

Date _____ Per ____

Dear AP Chemistry Student's Parent or Guardian,

The purpose of this letter is to verify that both the student and the parent or guardian have read and understood the introductory handout called "AP Chemistry Goals and Objectives".

With your consent I am also requesting some voluntary contact information. If at any time you would like to know your student's progress in class it's best to check it online or send me an e-mail and I'll reply, hopefully within 24 hours. You can also call the school and leave me a message if you like, although this will take longer for a reply than an e-mail.

Please fill out the information requested below and have your student bring this back to class tomorrow.

Thank you!

Sincerely,

Laurel DePalatis
